

FOR IMMEDIATE RELEASE

Campbell County Schools Highlights District Leadership Team for the Upcoming School Year

Campbell County Schools is proud to recognize the dedicated school and district leaders who will help guide our students, staff, and families in the year ahead. Across every school and department, our leadership team remains committed to supporting student success, strengthening instruction, serving families, and continuing the positive momentum taking place throughout the district.

While strong leadership is essential, Campbell County Schools also recognizes that our teachers are first and foremost the individuals who make the greatest daily impact on students. Each day, our teachers build relationships, deliver instruction, encourage growth, and help students reach their full potential. The work of our administrators is to support, equip, and encourage the educators who serve students in classrooms across the county.
